Impact of Missed Appointments

- Demand for appointments is very high, and whilst we are aware that there are some circumstances which can make a missed appointment inevitable, their impact can be significant, leading to:
 - An overall increase in waiting times
 - Frustration for both staff and patients
 - A waste of resources
 - A potential risk to the health of other patients because of the above
- We would therefore politely request patients to contact the surgery and let us know, if you are unable to attend your appointment.
